ANNUAL MEMORIAL VOTIVES

Our Saints' Room in the back of the Church has brand new electronic votive candle lights. We are accepting requests for annual Memorial Votive Lights for an offering of \$100 per light. This means that the votive will burn uninterrupted (except on Holy Saturday of each year) for an entire year in memory of the person(s) for whom it is offered. The name of the person(s) will be at that light for the year as well. The period of time will run from the date which the donor requests until that date of the following year. Our Saints' Room has been made more beautiful and prayerful. We thank God for giving us the saints to help and to pray for us.

The Food Pantry is in need of the following:

Coffee, Jarred Sauce, Pasta, Rice, Soup, Canned vegetables, dry/canned milk, tuna, Mac and Cheese.

We welcome those who have been Baptized in Christ:

FROM THE PASTOR'S DESK.....

Unity with the Pope...

Last June, in his address to new archbishops, Pope Benedict said the greatest harm to the Church comes not from persecution from outside the Church but rather from that which "pollutes the Christian faith and the life of its members and its communities, eroding the integrity of the Mystical Body, weakening its ability to prophecy and witness..." Even at the beginning of the Church's history, St. Paul specified some of the dangers within the Church such as negative attitudes that belong to the world, selfishness, vanity, pride, love of money, etc. (cf. 3.1 to 5)

The Body of Christ continues our Lord's redemptive mission today and throughout history. There have been many persecutions against the Church over the last twenty centuries; some were quite harsh and cruel. Yet, they strengthened the Church. The blood of martyrs is the seed of the Church. The sins of the members of the Body of Christ impede its mission. Those who teach false doctrine as well as those who live immorally damage make the Church less effective. This gives all the more reason to avoid everything that is contrary to the Faith no matter how attractively it is presented or how charismatic the speaker might be. We want the truth and have a right to it. The authentic truth of Christ is guaranteed by the Pope. No Pope throughout history has ever formally taught anything contrary to faith and morals.

When bishops, priests, religious, theologians and the faithful are in union with the Holy Father, we are kept free from errors in the area of faith and morals. We can rest in the assurance that we have the true Gospel handed on to us.

The papacy is a great gift to us -- to the world. Let us never forget to pray for the Pope each day.
